- Equal Treatment: we do not discriminate against an individual based on personal relationship with that individual, or because of his or her country of origin, ethnicity, nationality, gender, pregnancy, and sexual preference, age, skin colour, religion, personal views, disability or any other condition or characteristic that is not concerned with work.
- Respecting cultural diversity:
 - We understand the local customs, cultures and traditions of the locality in which we work.
 - We respect the importance of local traditions, cultures and cultural differences, and do not conduct in any way that contradicts them.
- Board Diversity: structure of the Board of Directors takes into account the diversity factors during the nomination process including gender, ethnicity, nationality or any other differences such as race, country of origin or cultural background. This is in order to have an appropriate and balance structure that contains expertise with skills, knowledge, and experience in various fields that necessary for petroleum exploration and production business. Moreover, in director nomination process, diversity of the Board is reviewed regularly to ensure the appropriateness and balance of each required field to be consistent with the state of business change.

The Good Corporate Governance and Business Ethics of PTTEP Group or CG&BE was approved by the Board of Directors and announced for upholding by all directors, executives, and employees in their daily operations.
