35 Human Rights

Human Rights are rights inherent to all human beings, regardless of race, sex, nationality, ethnicity, language, religion, or any other status. – United Nations

1. Right to life
2. Right to liberty and security
3. Right not to be subjected to slavery, servitude, or forced labour
4. Right not to be subjected to torture, cruel, inhuman, and/or degrading treatment or punishment
5. Right to recognition as a person before the law
6. Right to equality before the law, equal protection of the law, non-discrimination
7. Right to freedom from war propaganda, and freedom from incitement to racial, religious, or national hatred
8. Right to access to effective remedies
9. Right to a fair trial
10. Right to be free from retroactive criminal law
11. Right to privacy
12. Right to freedom of movement
13. Right to seek asylum from prosecution in other countries
14. Right to have a nationality
15. Right of protection for the child
16. Right to marry and form a family
17. Right to own property
18. Right to freedom of thought, conscience, and religion
19. Right to freedom of opinion, information, and expression
20. Right to freedom of assembly
21. Right to freedom of association
22. Right to participate in public life
23. Right to social security, including social insurance
24. Right to work
25. Right to enjoy just and favorable conditions of work
26. Right to form and join trade unions and the right to strike
27. Right to an adequate standard of living
28. Right to health
29. Right to education
30. Right to take part in cultural life, benefit from scientific progress, material and moral rights of authors and inventors
31. Right to self-determination
32. Right of detained persons to humane treatment
33. Right not to be subjected to imprisonment for inability to fulfill a contract
34. Right of aliens due process when facing expulsion
35. Rights of minorities
